FOOD ITEMS NEEDED

With the addition of the buddy boxes shipped free for us by Atlas Shipping, we have the privilege of providing food items to people in the more remote mountain villages. Because of donations of sacks of white rice, beans, tea, and canned meats, we are complementing the other goods and giving pastors the opportunity to help the more needy families within their small churches. We use about 60 clean coffee tins each month in repackaging these items. Food banks recently have supplied their surplus resources to us including beans, and peas.canned fruits and other items.

CALEB AFFILIATES NOT SILENT IN THE WORLD!

In Tanzania and Kenya, Pastor Swita refuses to be silenced by the authorities. He has been attacked by rebel tribesmen, lost several members of his family, but still openly preaches the Word of God. In a recent revival, three children pictured here followed him home, seeking food and comfort! In his report, he states **“Those children are added to**

our orphanage! Every village we go for Great commission orphans children cry behind us asking for food and help.”

On the southeast coast of India, Brother Brama Boss of Seacoast Ministries reports they are going out evangelizing and baptizing when ever pemitted. This is producing much fruit as the idol worshippers so common in India are now seeking answers with the world upheav-

In Nigeria, Caleb Director Chibuzor Eze continues venturing outside the cities to hold meetings in villages and poor enclaves not as thoroughly patrolled as the major cities. His meetings continue to bring forth much fruit in West Africa!

REPORTS OF DEVASTATING FOOD SHORTAGES AND BLACK MARKETEERS REACH US DAILY FROM VARIOUS SECTIONS OF THE PHILIPPINES

Here we see Pastora Marlita Samante collecting stores from the church to give to the poor in her neighborhood so that they not succumb to the demands of blackmarketeers in meeting their family needs during Covid19 government shut-downs. Keep this brave lady in your prayers please!

Letter from the Director:

This has been a painful year for Caleb Members with so many activities interrupted, meetings cancelled, and fellowship opportunities taken away. But the highest price has been saying goodbye to friends and loved ones going on to their heavenly reward. We KNOW we will see the faithful again, but having them absent for now is particularly painful.

This month has been severe in losing two key participants in Our Caleb family. Dean Clingman was one of the founders of the Friday Morning Men's Bible Study that started in 1962 in the Burien area. For 58 years he faithfully attended and many times led the studies. In 1990 he joined me in founding Caleb Ministry and on several occasions accompanied me in traveling across Romania, evangelizing and serving Jesus. He served as President of Caleb on three occasions and managed the warehouse operations most years. He is with the Lord.

Cynthia Leppago Sartin returned to Abra, The Philippines, upon retiring from working in Seattle. She started a mission home in Abra serving local villages. Over the years Caleb Ministries visited the home on 12 occasions, supplying many items for her outreach to the area. Cynthia passed on to Glory last week and will be sorely missed by the Caleb family.

We are mindful we will eventually be reunited but the separation is hard to endure to those so close to us.
