HOME PROVIDED FOR MARLITA SEMANTE IN ANTIPOLIO SLUMS

Word came a month ago that one of our servants in Manila, who served Caleb Outreaches in The Philippines with inexorable energy and enthusiasm, was being evicted from her modest apartment. She asked for \$1,000 to build a shack on donated land in the Manila slums. Through generous donors, we were able to

provide \$2,000 so she would have electricity and water in her new home. In the slums, she will be close to Caleb One Goat Church and can help the approximately 300 children in that area. To the left are pictures of her work in Manila.

Caleb Feeding Programs For Children

NIGERIA CALEB

So far this year, We have issued grants of \$19,491.00 , nearly double the total grants of previous years, primarily for rice and food for elderly and orphans in Africa and The Philippines. This constitutes 2/3rds of our funds to-date, but we will not let the Elderly and Children down! Covet19 will not hinder our compassion and love for others as long as we can help!

REBUILDING CEBU SLUMS CHURCH OF HILARIO ALFREDO

In the slums of Cebu sits a church built on love! Alfredo Hilario was raised in the dump all of his days until at age 21 he was led to Christ through Assemblies of the First Born Pastor William Navarette. He has committed his life to living his days with his wife in the same dump. Their church building began falling apart recently, having been picked up and moved by parishoners when necessary to serve the dump purposes. Now they are building the first full church near the same slum in order to more effectively lead others to Christ.

NEW AFFILIATE SERVES RWANDA AND UGANDA

New to Caleb readers this issue is the ministry at Nakivare refugee camp in Rwanda of Pastor **Sawado Nshimiyimana**. He is excited to have the Caleb teachings and support as he undertakes a very ambitious and full ministry in a very difficult area of the World!

FOOD ITEMS NEEDED

With the addition of the buddy boxes shipped free for us by Atlas Shipping, we have the privilege of providing food items to people in the more remote mountain villages. Because of donations of sacks of white rice, beans, tea, and canned meats, we are complementing the other goods and giving pastors the opportunity to help the more needy families within their small churches. We use about 60 clean coffee tins each month in repackaging these items. Food banks recently have supplied their surplus resources to us including beans, and peas.canned fruits and other items.

Letter from the Director:

Assuming the State does not reinstate level 2 or 3 restrictions, we are going to resume Friday Night Bible Studies in July. Class will begin at 7 pm and end by 9:30 as before.

This has been a very trying time for all of us with upheaval of church programs, restrictions on our free movement, and the cutting of comforts we have become accustomed to enjoying in our daily lives. But there is a blessing in this all. We are becoming more aware of the fallen world conditions prevalent in the Third World for years. Our awareness of the fragile nature of our lives and those of loved ones has been reinforced. Many of us have lost family, friends and loved ones, with the hope of seeing them in eternity.

But the best blessing of all is seeing people reading Gods word, listening to valuable teachings, and becoming more generous and forgiving to others.

If we are in the prelude to end times, or entered into it, Halleluah. If not, and this is a reality check in our lives, we need to center on those who do not as yet know Christ! The time is short, either way! In all things, live as Jesus showed us, reaching out to help others find eternal life through Christ.

AFFILIATES FEEDING AND HELPING OTHERS ACROSS THE SEAS

VOLUNTEERS FIND INNOVATIVE WAYS OF HELPING

Throughout the years Caleb volunteers have found innovative ways to serve this all volunteer ministry. Lina Chin has placed donation baskets on the porch and in the lobby for neighbors to give foods, clothing and supplies. As a thank you to them, she has a vegetable garden for them to share, as pictured right.

To the left are volunteers at our monthly packing where we fill boxes to ship to remote Philippine villages and missions.

On the right is the terrace and room where "Buddy Boxes" of rice and foods are packed to accompany each large box for Pastors to give to poorer families in their community.

Bottom right is assembling the boxes for shipment for the month by Atlas Shippers.
